**Lecturer:**

**Mr. Georgios A. Korellis**  
**GDPR, Privacy, Security & Technology Specialist**  
**ACA, BSc. Economics (Accounting & Finance)**

Georgios is an acclaimed Technology Leader and Specialist with more than 25 years of professional experience who has worked in several countries, on multiple projects, for clients in numerous industries and with high complexity.

He is recognised as a specialist in technology transformation and digitalisation strategies and a true GDPR expert, skills which complement his leadership credentials in Information Security, Privacy Consulting and Procurement & Sourcing.

A commercially astute negotiator and mediator, he is a results-oriented professional, with a business background and multi-year hands-on as well as leadership experience across the entire business and technology stack. In addition, he is a pioneer in Cloud Security & Outsourcing for banks and other complex institutions.

Georgios acts as Consultant and trusted advisor to CEOs and CIOs of international and local organisations for the design and implementation of highly complex projects for tangible business value. He is the DPO of Baker Tilly Southeast Europe, and several other companies in industries ranging from Regulators, Trading, Distribution, Technology and Business Services organisations.

Throughout his career, Georgios successfully led numerous, multidisciplinary teams in delivering high quality work to prestigious global organisations as well as other leading organisations in several European and Middle East countries. Key industries of expertise include Banking, Retail, Technology, Forex, Insurance, FMCG, Manufacturing, Distribution, Construction and Business Services industries.
